

PARALYZED IN AN ACCIDENT

Depends Upon "Fruit-a-tives" to Keep the Bowels Regular and Digestion Sound

The Dependable Fruit Medicine

DE NOVA, COLORADO

"I have just come here from Vancouver, B.C., and I have been taking 'Fruit-a-tives' for two years, and have never found any medicine that answered my requirements like yours.

Nine years ago, I was in an accident and the lower portion of my bowels are paralyzed; therefore, I need a medicine that does not lose its effect, and I have been absolutely satisfied with 'Fruit-a-tives' since I began taking them."

Mrs. C. C. REMINGTON.

Now, you might think that any medicine which is strong enough to move the bowels when they are paralyzed, would be too powerful to be used by a person suffering with ordinary Constipation. Yet "Fruit-a-tives" is regularly taken by children, young boys and girls, men and women of all ages, without pain, griping or other ill-effects. Because "Fruit-a-tives" is a genuine fruit medicine, that always corrects Constipation and Biliousness gently, mildly and effectively.

BACKACHE IS A WARNING

Barton People Should Not Neglect Their Kidneys.

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. They have been used in kidney trouble for over 50 years. Read Barton testimony.

Noah Brooks, High street, says: "I think Doan's Kidney Pills are very good. I used them when my kidneys were in a bad fix. Mornings my back and kidneys ached awfully and during the day when I stooped the pains in my back were unbearable. My kidneys were weak in action. I heard of Doan's Kidney Pills and got a few boxes at the E. W. Barton Co. They fixed me up in short time. I am glad to recommend the old reliable Doan's Kidney Pills."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brooks had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Dear Sir:

I have worked every day since you saw me and I am feeling fine; no lameness now whatever. I am very glad to have met you, and I can't say enough in praise for your medicine.

Respectfully yours,

Albert H. Hickok.

Indian relics continue to be found in the vicinity of St. Johnsbury, a pestle having been dug out of the gravel below Brantview by William Brennan a few days ago. This undoubtedly went with the mortar which Mr. Brennan found in almost the same spot about two years ago. The pestle is a smooth stone just the size and shape of a ripe cucumber. On August 26, 1860, Rev. Edward T. Fairbanks found below his garden a tomahawk. A collection of these articles is being kept at the Athenaeum.
